DEDICATION

We, the class of 1953, take great pleasure in dedicating our annual to our parents.

They have been, and always will be our "guiding light". They have led us through our grievances and pleasures. If it had not been for them many of us would not be on the right road to success. We will always need the love and understanding that they have given us to make these, our high school years, "The Best Years of Our Lives."

IN MEMORIAM

The paper of February, 1952, carried the story of the untimely death of Shirley Stabe. Death did not take her away from us. A girl who left so much for us to remember and cherish, will live forever in our hearts.

We'll keep her seat vacant in class, and when we can't find the right answers to questions, we'll look to her seat, and remember that Shirley probably knew them.

Yes, she's still with us in many ways. Her influence on the tempo of the class, both physically and spiritually, will always be felt.

She never let people think of her as a girl with an ailment, but engaged in all class activities with added vitality, for that moment, to keep the class superior in ranking.

Her writings were gay and humorous, trying, I suppose, to eke out of life what too many of us take for granted--that cherished happiness.

Always willing, always there with a helping hand--that was Shirley Stabe.

She won't leave us again.

Robert Hoey

IN MEMORY

I cannot say, and I will not say.
That he is dead. He is just away.

With a cheery smile, and a wave of the hand,
He has wandered into an unknown land.

And left us dreaming how very fair
It needs must be, since he lingers there.

And you oh, you, who the wildest yearn
For an old-time step, and the glad return,

Think of him faring on, as dear
In the love of There as the love of Here.

Think of him still as the same. I say,
He is not dead, he is just away.

— James Whitcomb Riley.

UNDERSTUDIES OFFICERS

President ..... Dick Olk
Vice President ..... Renie Bovee
Secretary Treasurer ..... Jack Eder

The Class of "55" entered their sophomore year a little scared and uncertain of themselves. They chose as class officers Dick Olk, Renie Bovee, and Jack Eder. They all worked hard on their class float for Homecoming and picked the title "We'll bury the Tigers". In football they were well represented with Don Krall, quarterback; Fritz Shelbauer, guard; and LaVern Servi, halfback. All three received their letters. The B squad consisted almost entirely of sophomore players. Don Krall was the only sophomore to play on the A squad basketball team and received an "A". The B squad consisted mainly of sophomores who showed much improvement towards the end of the season. The B squad sophomore cheerleaders were full of pep and showed that they were ready for A squad work next year.

SUPPORTING CAST

JUNIOR CLASS OFFICERS

President	Tom Prosser
Vice President	Marilyn Osness
Secretary-Treasurer	Peggy Kennedy

We, the class of "54", finished our junior year with a lot more sureness of ourselves than we had as sophomores.

As sophomores we chose Dennis Carter, Dave Burt, and Kaye Frederick as our class officers. For a float theme for homecoming we had "Keep the Robins Flying to the End Zone." We were all satisfied in all of our choices. Sharon Cahak represented Antigo High in the District Forensic Contest at Stevens Point. In sports the class was represented in both football and basketball. We also had active participants in various other activities. At the "spread" the sophomores were victorious by getting a prize for the most original idea, which was Robinhood.

In our junior year, the class chose as officers Tom Prosser, Marilyn Osness, and Peggy Kennedy. As a float theme we chose "We're Pulling for Antigo." The showing the juniors made in football and basketball was excellent and proves to be promising of many victories next year. The greatest task of the junior year is the chosing of a Prom theme. The theme chosen for this year was "Castles Under the Stars." The committees worked hard to make their prom a big success.

THE STAR'S OFFICERS

President ..... Wes Mader
Vice President ..... Sharon Clark
Secretary Treasurer ..... Doris Schumitsch

As Sophomores, our class officers were Jack Tooley, Collette McCormick and Pat Fletcher. Our Homecoming float was "We'll Stew Wausau". Everyone seemed well satisfied. We entered our junior year with hopes of making it the most successful junior class ever. The class officers were Arliss Strobel, Mary Kennedy and Pete Petroll. The theme of our Homecoming float was "Toast to Antigo". It received honorable mention. The most important event of that year was the beautiful prom "Jungle Fantasy". The king and queen were Wayne Lukas and Sharon Clark. Much hard work was put into this project but it was all worth while. There were many participants in all sports and activities.

In the spring of "52" we entered our final year at Antigo High. The class officers were Wes Mader, Sharon Clark and Doris Schumitsch. The first big event was Homecoming. Our queen and her court were Doris Schumitsch, Mary Kennedy, Sharon Clark, Norma Stasek, and Carol Braun. The senior class float was "Hold that Tiger" which took first place. Soon after this we started working on the Snowball. Everyone spent a lovely evening in Paris. The king was Wes Mader and honorary queen was Janet Murray; the queen Collette McCormick and honorary king Arliss Strobel reigned over the formal. With the coming of graduation we are striving to make these the best years of our lives.

VARSITY BASKETBALL

Relying heavily on four lettermen, the Antigo School Robins launched their season with a win over Marshfield.

From there on the Robins had their ups and downs ending in the second division in the conference. The fearless Robins fared much better against non-conference foes, winning four and dropping one.

In midseason the team chose Arliss Strobel, senior guard, as captain for the remainder of the season.

Jack Winter, junior forward, was high scorer for the Robins when the regular season ended, and was among the top seven scorers in the conference.

The bright spot of the season for the team was its well earned victory over highly ranked Stevens Point. They squeezed past the Panthers by a score of 64-63.

Losses by graduation this year were few; among those who have played for the last time were Jim Meidl, Arliss Strobel, Gene Schlundt, and Jim Waddell.

Returning next year are DeWayne Cahak, Dick Drengler, Fritz Kestly, Bill Kostelac, Don Krall, Don Parker and Jack Winter.

INTRAMURALS

Intramurals consists of touch-football, basketball, ping-pong, shuffleboard and volley ball.

In basketball there are three leagues; one playing during the noon hour and the other two during the evenings. Evening teams are divided into two leagues, the National and the American. After two rounds of play in each of these leagues, there is a playoff between the two top teams for the intramural championship.

The outstanding senior boy participating in intramural athletics is given recognition.

Climaxing the intramural basketball season is the annual Faculty-All Star game. Ten senior boys are picked from the intramural teams to represent the student body as the All Stars.

The purpose of intramurals is to give boys who cannot compete in varsity or junior varsity athletics an opportunity to participate in competitive athletics.

Sportsmanship and teamwork are stressed and practiced by all who participate.

The entire intramural program was directed by Mr. Blaskey.

THE A-B-C BANDS

The instrumental music division of the Antigo High School is an exceptionally active member of the school organizations. In its entirety the band is composed of over 120 pieces and is seen and heard on many occasions.

For many concert and marching purposes, the A-B-C bands perform together. The main exception is the annual spring interscholastic music festival. During this past year each member participated in the contest at Stevens Point and Rhinelander and brought home many district and state honors. Our band was distinguished by winning the highest total number of points awarded in competition to bands in the Wisconsin Valley Festival.

The annual spring concert was presented as usual including a varied program of popular, swing, and classical numbers. These were all well received by a large and appreciative audience. The proceeds of such concerts are used to supplement the facilities provided by the public schools for the instrumental music department. A new innovation this year was a very successful participation by the band in the Christmas Concert usually presented by the vocal department.

The band actively participates in football and basketball games and many other school activities during the year. As in previous years, the band was on hand at out-of-town football games, greatly adding to the spirit and enthusiasm of the local fans.

Among other trips made by the band was a concert tour of several state high schools. These proved very successful and are hoped to be continued in the future.

Numerous civic events and parades were led by the High School Band. Our only regret was that we had to miss the Loggers Convention at Escanaba this year due to a football game here on the same date.

The requirements for membership in the Latin Club are that you have had two years of Latin or are taking second year Latin.

This year the theme for the Annual Banquet was "Orcus", or the Underworld. The banquet was held Tuesday, March 10, in the Junior High study hall. The food was delicious, including everything from "eggs to Apples."

The fellow Romans included such people as Pluto, king of the underworld; Proserpina, his wife; the three headed dog; and the boatman who carried people over the Styx River. Costumes of all kinds were seen but the togas were predominant.

The "A" Club is an organization consisting of boys who have won a letter in football, basketball, or two letters in a minor sport. It's purpose is to place all AHS athletes in one group with the objective of developing good fellowship, sportsmanship and character. The organization sold pop at the basketball games and at the school dances. During the year they sponsored a game featuring the Broadway Colored Clowns, a professional team. This year in the Spring the "A" Club seniors expect to travel to Chicago to take in some outstanding athletic event.
